## DETAILED ACTION

### *Oath/Declaration*

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth. The oath or declaration is defective because:

Applicant's oaths/declarations is insufficient.

It does not state that the person making the oath or declaration acknowledges the duty to disclose to the Office all information known to the person to be material to patentability as defined in 37 CFR 1.56.

Applicant has following INCORRECT STATEMENT:

"I acknowledge the duty to disclose information which is material information as defined in Title 35, ... 1.56(a)"

CORRECT STATEMENT should read "I acknowledge the duty to disclose information which is material to patentability of this application in accordance with Title 37, Code of Federal Regulations Section 1.56."

Proper correction is required in accordance with Title 37, Code of Federal Regulations Section 1.56.

A new oath or declaration is required because the oath or declaration is defective as indicated above. The wording of an oath or declaration cannot be amended. If the wording is not correct or if all of the required affirmations have not been made or if it has not been properly subscribed to, a new oath or declaration is required. The new oath or declaration must properly identify the application of which it is to form a part, preferably by application number and filing date in the body of the oath or declaration. See MPEP §§ 602.01 and 602.02.

***Claim Rejection***

Claims 1-6 are rejected as being based upon a defective oath/declaration under 37 CFR 1.67(a) as set forth above. See MPEP §§ 602.01 and 602.02.
